Refund Policy – Rajendra Enterprise

At **Rajendra Enterprise**, customer satisfaction is our top priority. We strive to ensure every product delivered meets your expectations. However, in rare cases where a refund is necessary, please review our policy below:

- **Refunds are available for genuine cases only** and are subject to verification.
- A refund request must include clear proof of the issue (e.g., damaged product, wrong item received, etc.).
- Our team may request photos, order details, and other relevant information for verification purposes.
- Refunds can be requested **at any time**, provided the claim is valid and verifiable.
- Once your request is reviewed and approved, the refund will be processed to your original payment method within 7–10 business days.

Note: Rajendra Enterprise reserves the right to accept or reject refund claims based on the authenticity and completeness of the provided information.
